9.3 You also acknowledge and agree that Digicel has the right, to the greatest extent provided by applicable law, to limit the scope and extent of its potential liability to you, and that Digicel’s ability to contractually limit its potential liability to its customers permits it to offer and provide its products and Digicel Services at fair and reasonable prices. Accordingly, to the greatest extent permitted by law, Digicel and its parents, subsidiaries, and affiliates, and their past, present, and future officers, employees, agents, partners, licensors, successors, and assigns are not liable to you, or any authorized or unauthorized user or beneficiary of Digicel products and Services, for any indirect, incidental, special, consequential, treble, punitive, or exemplary damages for any reason. Disallowed damages include, but not are limited to, damages for personal injury; property damage; or loss of revenue, profits, business, goodwill, use, data, or other tangible or intangible losses (even if we’ve been told of the possibility of those damages) resulting from, for example: (a) use of Digicel products and Services (which includes equipment, software, and inside or outside wiring); (b) the performance or non-performance of Digicel Services; (c) the actions or inaction of Digicel or its agents with respect to the provision or delivery of any Digicel Services or that relate to your DIGICEL Account or our relationship with you; or (d) any action of a third party, such as unauthorized access to your DIGICEL Accounts or Digicel Services (including the use of your DIGICEL Accounts or Digicel Services to access a third-party account); or (e) any alleged actions or representations, statements, promises, or agreements by Digicel or its agents that are not expressly set forth in this Agreement regarding the use, performance, suitability, safety, reliability, security, or any other aspect or attribute of Digicel Services.

9.4 In addition, to the greatest extent permitted by law, Digicel and its parents, subsidiaries, and affiliates, and their past, present, and future officers, employees, agents, partners, licensors, successors, and assigns are not liable to you for any damages of any kind resulting in any way from: (a) the installation, maintenance, removal, or technical support of Digicel Services, even if the damage results from the ordinary NEGLIGENCE of our installer or other representative; (b) any unauthorized access to your DIGICEL Accounts or Digicel Services (including the use of your DIGICEL Accounts or Digicel Services to access a third-party account), even if the unauthorized access was the result of ordinary NEGLIGENCE by an Digicel employee, representative, agent, or any person or entity purporting to act on Digicel's behalf; (c) any inability to reach 911 or other applicable emergency services, any alleged interference with alarm or medical monitoring signals, or any failure of alarm or medical monitoring signals to reach their intended monitoring stations; (d) the use, inability to use, or the lack of interoperability between Digicel Services and any third-party hardware, software, or service, even if charges for the third-party hardware, software, or service appear on your Digicel bill; (e) the loss of your information, such as missed or deleted voicemails, text messages, emails, pictures, or files; or (f) any interruption, error, limitation, delay in any Digicel Service, or any other problem caused, in whole or in part, by you or something outside of our control, including, but not limited to, environmental conditions, emergency conditions, power or network outages, transmission errors, equipment damage or repairs, limits in system capacity, unavailability of radio frequency channels, governmental actions, labor disputes, riots, terrorism, or the acts of third parties.

9.5 In addition, unless prohibited by law, our total liability to you (under any legal theory) is a credit or refund that shall not exceed the total amount of charges you paid us for the applicable Digicel Service during the shorter of (i) the preceding 24-month period or (ii) the period in which you experienced the issue giving rise to your claims. If you are disputing a charge on your bill, Section 1.10 requires you to notify us within 120 days of the bill date. Moreover, unless prohibited by law, you must commence any legal action, whether by filing a lawsuit in small claims court or by filing a demand for arbitration, within two years of the date of the event or facts giving rise to the dispute or you waive the right to pursue that claim. This contractual limitations period is tolled for 30 days following the submission of a valid Notice of Dispute under subsection [3.8] of this Agreement.

9.6 Each of the limitations of liability in these Terms will apply to claims you bring against third parties to the extent that we would be required to indemnify that third party. If applicable law prohibits a limitation in these Terms, all other limitations will apply to the greatest extent permitted by law.

10. INDEMNIFICATION

CONFIDENTIAL
